

File Claims '2'

For the Record:

No memorandum opinion was written on the problem presented by this paper and the file in which it came to the office. The Deputy Chief of Administration, FE, was told over the phone that:

- (a) As regards the particular situation of 25X1A9A the Agency had no authority to pay his bill, and that the best that could be hoped for was that the matter would die an administrative death.
- (b) As regards future cases, these best could be avoided by the Agency's paying insurance premiums for people in 25X1A9A position pursuant to section 215-k(3) of the Standardized Regulations, Government Civilians, Foreign Areas.
